

RWANDA WATER PARTNERSHIP: MISSION, OBJECTIVES, CHALLENGES AND PERSPECTIVES: 2008-2019

History of Rwanda Water partnership

- The Rwanda Water Partnership was launched on the 28th March 2008;
- The Country Water Partnership started with different institutions and organizations both government and non-government

Rwanda Water partnership governance

- The Rwanda Water Partnership is governed by the highest organ which is the general assembly and under this there is an executive committee that is elected by the general assembly to follow up activities of the Country Water Partnership
- For the time being ,the Country Water Partnership has a legal status

The Vision and Mission of the RWP

- The vision of the Rwanda Water Partnership is for a water secure Rwanda. Water security for Rwanda is vital for a better future.
- The Mission of the Rwanda Water Partnership is to support sustainable management and development of Rwanda water resources at all levels by promoting an integrated approach that incorporates full participation of stakeholders in decisions affecting its management and development.

Objectives of the RWP

The mission of the RWP will be met by achieving the following objectives:

- Develop organizational capacity for a functional, efficient, effective and dynamic RWP.
- Improve communication, knowledge and information management among stakeholders and partners in strengthening perspectives in development processes

Objectives of the RWP (cont.)

- Support initiatives for sustainable and integrated water resources management at all levels for livelihood improvement & development in Rwanda.
- Influence policy development for equitable utilization and sustainable management of water resources in Rwanda.

Key Challenges

- Limited financial capacity to engage stakeholders;
- Low interest by partners;
- Limited visibility

PERSPECTIVES

- The RWP intends to develop a five year strategy(2019-2024) to ensure its sustainability and meet its objectives;
- Strengthen partnerships among partners;
- Provide tangible contribution in advancing the water sector in Rwanda

THANK YOU !!!
